Adult School Looks To Peace

With the "whole world in a terrible state of chaos," to quote June and the Pippins, every bit that is done to create better understanding among people of varying beliefs and creeds is a long step in the right direction. The Millburn-Short Hills Adult School is doing its part this semester, with the addition of a course in Religious Education, last year, the course was started to create a better understanding among dominant religious groups. This year, the course has gained new significance, even in these past turbulent months.

If there is to be lasting peace and understanding in the world, it must have guided the religious thinkers, even in these past turbulent months. Mrs. Morris Harris, forum speaker, Dorothy May, editor of the Catholic Worker, one of the recognized social organs in the country, and Rabbi Herbert Goldstein, an outstanding leader of orthodox Jewery.

Embracing as it does, first the individual, then the family, and last the community and their respective relation to religion, the course is pretty inclusive. Rev. May gives his second lecture this Monday night on the psychological approach. Before he became a minister, he was headed for the field of psychology, studying under such eminent men as Adler, Jung and Freud. If the first meeting held last Monday is an indication of what the course will be and can mean, there should be much interest in the lectures yet to come.

If Mr. Heitkamp's presentation of "The Care and Feeding of Hobby Homes" was happily received by the Short Hills and Glenwood Y.P.T. Tuesday evening.

Mr. Heitkamp emphasized the importance of having a hobby because it provides a release from strain and stress. Hobbies make happier individuals. They bring out in individuals things that they never knew existed and give a different understanding and expression to a person. Hobbies are a necessity as an outlet for self expression.

The following boys and girls were interviewed by Mr. Heitkamp with great understanding and tact, from the stage of the auditorium of the Short Hills High School. Each was curious and interested in his hobby.

They were selected to represent the hundreds of following families of children of the two elementary schools. Their invitation to all was: "Get a hobby."

After enthusiastic applause, all were presented with ribbons and special ribbons were given to Daniel Nash and Vivian Sangan.

Mrs. Cummins In School Race

Mrs. Lester Cummins is a candidate for the principal's position. Her and her petition will be filed, placing her name on the ballot. Mrs. Cummins will be the only woman candidate; no female names have come into the light and this proposal list still stands at Robert McMahey, Jr., Harrison Durand, Ernest Britta, John Pafield and possibly O. Balon Land.

Rumors of a "draft Slayton movement" have not yet fruited into anything. The members of something along this line.

The fact that these drafts would claim exemption is something else again.

No civic association endorsements are yet announced and a rumor is that these may all cancel the Sue Ann proposal. Four candidates only not for the Board of Education but for all political subdivisions.

Treasurer's report is to be given by the Short Hills and Glenwood Symphony Society.

**SPORTS**

**Millburn vs. Summit**

Millburn High School varsity basketball starts out in high gear tonight, as Coach Foch's Blue and White squad meets Summit in the local gym at 8 P.M. The game in addition to being Millburn's first inter-scholastic contest of the season will also inaugurate the Blue and White campaign to retain the Suburban Conference title.

Brought into the top of condition by a series of practice sessions and early action and with a victory over a strong alumni combine last Friday night, Captain Cookie Sammartino and his mates are set for a successful season and are fighting for a first game victory tonight.

Coach Foch will probably start Tony Passarelli and Ben Marshall as forwards, Warren DePalma at center, and Cookie Sammartino and Ike Flynn as guards with Jim Tombly, Tedesco, Feeney and Brown in reserves.

Summit has lost four straight games and will be out to prove the local five down to defeat tonight and Coach Orne will have his squad piled up for this game. His starting combination will be picked from Twill, Neidles, Kovalski and Brown in this game.

A great battle is expected and it is understood a large crowd is expected to follow the team to the Florence Avenue School where the game will be played.

Next Monday night Millburn will meet Livingston at the high school gym at 8 P.M. in what should be an extremely close contest. Livingston gave Irvington a grueling battle in their first game losing 29-25 and trimmed Nutley in a free scoring contest 54-45.

**Blues Beat**

**Alumni 34-29**

Led by Dave Marshall's 14 points the Millburn High School varsity turned back a strong second half effort of the alumni's in the high school gym last Friday night.

The first period was even with the Blues being up 10-9 at the midpoint. The play of both teams was rather sloppy as the passing was poor and most baskets shot wide.

In the second period, however, play picked up and the Blues using a fast break led by DePalma and Mann, had a 21-17 advantage when halftime gun sounded. In the closing minutes of this period DePalma and Marshall broke away several times for scores.

In the third period the defense of both teams tightened, five minutes passing before either team was able to put a basket in the basket. This period the Blues sunk two baskets both by Marshall while Majerus and Giannattasio scored two pointers for the losers.

In the fourth period play picked up and the Blues scored 9 points to the graduates' 3. The Millburn team in addition to using the fast break on offense also had Cookie Sammartino acting as pivot man for set-up shots.

Jake Flood led the losers with 10 points by driving down the court and taking shots from all angles.

**Lackawanna League Resumes**

League standings to date:

Won Los. Per. Wins L. Av. H.S.

Irvington ... 2 6 .666
Millburn ... 1 7 .607
Livingston ... 1 8 .589
Summit ..... 1 8 .589
Middletown ... 2 8 .723
Nutley ... 0 10 .000

Resuming its schedule after a three week lay-off the half-year's Lackawanna Basketball League will begin tonight again tomorrow night with the Irvington and Millburn teams attempting to break their first place tie in the league standings.

The game, which will be played at 8 P.M., will be at Summit to start at 8 P.M.

Both the league leaders are undefeated thus far in the early campaign, each having two victories for a perfect percentage, and neither team having faced the same opponent in the five games played on the schedule formed. Millburn's victories were earned at the expense of Nutley and Summit while Irvington defeated Livingston and Middletown.

Millburn, however, will be without the services of Jack Fibonacci who injured his left ankle tendon in a Recreation Department basketball game and will be unable to participate during the remainder of the year.

The remaining members of the squad which includes, Musariki, Bill Flaherty, Parzino, Ruh, Wiltkop, Stankey, the Carrella brothers, Winner and Stanzaire are all capable performers who can more than hold their own on the court.

A great battle is expected and it is understood a large crowd is expected to follow the team to the Florence Avenue School where the game will be played.

**Recreation League**

Leading the Recreation Department league with two straight victories against no defeats the Bears will meet the third place team of Summit A. O. C. in the first half of a double header Thursday night at the high school. The Young Men's Club five will meet Taylor Park in the other half.

In the only game played last week the Young Men's Club defeated Enrico 46-45 but were forced to default the game due to the use of ineligible players.

Both Taylor Park and the Young Men's Club need players and anyone interested in taking part in this league is requested to contact Vincent Brown at the high school Thursday night.
